

Careers

Students will have the opportunity to:

- Determine who is involved in the milk production food chain
- Seriate and classify the people and the jobs involved in the dairy industry
- Investigate related career opportunities

How Do We Connect?

The Dairy Education Program can be adapted for most grade levels to enhance your programming in the classroom. The following outlines some of the many specific curriculum connections that can be realized by inviting a dairy educator into your classroom. (Please note that other connections are also possible.)

Kindergarten

Various connections to meet outcomes in the strands of *Belonging and Contributing, Self-Regulation and Well-Being, Demonstrating Literacy and Mathematics Behaviours and Problem Solving and Innovating.*

Grade 1

Heritage and Identity: Our Changing Roles and Responsibilities
People and Environments: The Local Community

Grade 2

People and Environments: Global Communities

Grade 3
